

**Information regarding your appointment to see
Mr Tiew Han, neurosurgeon:**

Please complete our Patient Registration Form and return it to the Fitzroy rooms along with the referral from your Doctor ASAP, via mail, fax or email, this is required prior to your appointment date.

You must ensure that you have a current referral from your local doctor for your appointment.

Please take along any relevant x-rays, CTs or MRIs you may have with you.

The usual fee is \$280.00 for initial consultations and \$200.00 for subsequent consultations, which must be paid on the day of consultation. A discounted fee may be available to Healthcare Card holders or pensioners (*to be sighted on the day*). Mr Han does not bulk bill but DVA Gold Card holders will have their accounts forwarded directly to DVA.

Please note that all consultations must be paid on the day of service. If your visit relates to Workcover you are still required to pay on the day and submit the receipt to your Workcover company for reimbursement.

WorkCover patients please note that you will have an out of pocket amount for consultations only.

Mr Han does not see TAC patients.

In most instances, Mr Han charges an out of pocket co-payment fee for operations performed in the private hospital. This is not claimable on your health insurance.

Please call us on **03 9417 3138** if you have any questions.
